Mountain Business & Events: Reach New Heights

Located within the french world-renowned 3 Valleys (3 Vallées) domain, Sogevab operates sports, wellness, leisure, business, and event facilities across three iconic resorts: Saint-Martin-de-Belleville, Les Menuires, and Val Thorens. Through our premier venues and services, we host and organize your events throughout every season.

5 Compelling Reasons to Choose Our Destination

#1

An exceptional mountain setting, a source of inspiration

Ranging from 1,450 m to 2,300 m in altitude, our territory sits in the heart of the Vanoise National Park, capturing every facet of the alpine world. This natural wealth transforms your events into unique, high-impact experiences.

#2

High-impact infrastructure

From auditoriums and modular rooms to sports and wellness facilities and extra-large event spaces, our venues accommodate all formats with comfort, adaptability, and technical expertise.

#3

Seamless and sustainable accessibility

With direct rail links and numerous shuttle services, the destination is easily reached without a car. We provide simple, comfortable access aligned with modern expectations for sustainable travel.

#4

A vibrant destination in every season

A variety of seasons brings a variety of energies: there are no limits. This versatility allows you to schedule your events whenever you choose, in the atmosphere that inspires you most.

#5

International Standards, Alpine Roots

For over 60 years, our three resorts have welcomed visitors from across the globe. This international outlook perfectly complements our unique mountain culture, built on strong values of solidarity, hospitality, and a solution-oriented mindset.

Event Expertise by Your Side

With an intimate knowledge of the terrain, high-altitude logistics, and MICE requirements, we support you from the initial brief to final execution. Whether you are a tour operator, event agency, corporation, federation or sports committee, our teams work alongside you to create reliable, seamless, and memorable events.
